

## Henley Society Comments on Planning Applications, Summary, 27 September 2016

P16/S2534 (amended) 28 Niagara Road. nc\*

2599 (amended) 16 Ravenscroft Road. nc

2623 (amended) White Lodge, Normanstead. nc.

2691 & 2692 9 Northfield End. Replacement railings welcomed.

2719 16-18 Hart Street. Changes to this listed building should be the minimum required for new use. Object to new balcony and major changes to fenestration. Conservation Officer should be consulted.

2929 345 Reading Road. nc.

2936 1 Periam Close. nc.

2990 82 Bell Street. nc

3004 37-39 Bell Street. Materials for signs should conform to Shopfront Design Guide.

3016 62 Mount View. Object due to bulk of extension being unneighbourly and out of character with area. Proposal would also conflict with NP objective of mix of housing types to achieve balanced community (H04).

3047 & 3048 Regatta Service Station. nc

3100 Tilebarn Lodge, Tilebarn Lane. nc.

3104 22 Market Place. Should be conditional on the reinstatement of doors and doorways being in same materials as existing (unless these are recent additions). This is another application to modify the 2007 scheme for Market Place Mews, reinforcing our recommendation (see P16/S2397) that Catalyst Capital should submit an updated application for the whole scheme.
