Dear Paula Fox

## **HENLEY SOCIETY COMMENTS ON PLANNING APPLICATIONS**

**The Society's comments on planning applications considered recently are as follows:-**

**P15/SO069/HH 21 Park Road.**

As previous comments plus concern regarding length of extension at First Floor and over looking from window at First Floor.

**P15/SO587/HH 4 Radnor Close**

No comment

**P15/SO742/FUL 93 Deanfield Road**

In principle no objection to conversion of garage (assuming adequate replacement car-park), but object to formalisation of multiple occupation which appears to be the intention of this application.

**P15/SO817/HH 50 Berkshire Road**

No comment

**P15/SO884/HH 81 Reading Road**

No comment

**P15/SO896/HH 3 Wootton Road**

No objection but subject to neighbours comments, query adequate car-parking arrangements.

**P15/SO905/HH Twin Archway**

No comment

**P15/SO908/HH Twin Archway**

No comment

**P15/SO929/FUL Friar Park Stables**

No objection to cladding the buildings, but object to the material - profiled steel sheet. Given the rural surroundings and being an AONB suggest that cladding could be open timber (vertical) boarding.

**P15/SO932/HH 208 Greys Road**

Concerned in regard to closeness of proposal to East boundary. As a design comment the site would be better developed on an axis NE-SW.

**P15/SO946/FUL Cedar Court, 9 Fairmile**

Over development and design shows poor use of an interesting site.

**P15/SO959/HH Ancastle Cottage**

A listed building which has been subjected to substantial extensions. The orangery is not only hideous but a development too far.

**P15/SO973/HH 3 Blandy Road**

No comment.

**P15/SO995/HH 47 Luker Avenue**

No comment.

Yours faithfully,

Ian Giuliani (Vice Chairman Henley Society)  
on behalf of Planning Secretary & Committee of The Henley Society
